There was no further old or new business. Anita adjourned the meeting.
CALL TO ORDER: Meeting was called to order by President DeMond Miller.

Issues Discussed:

Hotel Negotiator discussion: Dennis Peck brought up some important issues regarding hotel contracts.
- Most crucially, he reminded the council that we need to keep our program schedule in line with the existing and relevant hotel contract in order to meet contract obligations. If we choose to change the way we do things, we need to notify the hotel negotiator well in advance.
- He also asked the council to think deeply about the 2020 contract, which Ruth agreed to send to the council in order to include new members.

Hilton Honor points: Anita and DeMond discussed ways to use any honor points accrued by officers.
- Anita suggested the points be held and managed by the Secretary-Treasurer and to possibly use them to help finance the hotel negotiator’s travel expenses.
- Dennis suggested that instead, the points be used to help the Secretary or Treasurer if and when the position is split.
- After discussion, it was agreed that the points should be used to somehow benefit the organization, and not the individual who accrued the points.
- A draft of OPM changes for this needs to be created and voted on.
Transition of Secretary-Treasurer: Anita moved to appoint Shelly McGrath to replace Ruth Chananie as the new MSSA Secretary-Treasurer, effective February 2016 at the midwinter meetings, which would conclude Ruth’s 3-year term. M/S/P

Increase in Fees: DeMond motioned to increase membership fees by $5 across the board.
- Shelly pointed out that while most institutions will reimburse registration fees, they will not do so for membership fees.
- Ruth pointed out that we had recently increased membership and registration fees. Also, she expressed concern especially about sponsored undergrads, whose fees were doubled just recently.
- In a friendly amendment, Shelly suggested we increase all registration fee categories by $10 except sponsored undergrads. M/S/P

No-shows: DeMond raised the issue of persons who are scheduled to moderate a session, and/or present a paper (or multiple sessions & papers), who cancel at the last minute before the conference.
- It was discussed and agreed that this presents a hardship for the organization.
- Ideas were shared about solutions. Gregory suggested that we update or add to written policies in the OPM regarding professionalism, including how to handle no-shows, and professionalism in interactions during meetings. Anita agreed to help Gregory draft proposed changes/additions to the OPM.

Lifetime Memberships: Shirley Rainey-Brown strongly encouraged all members of the executive council to purchase lifetime memberships to MSSA. Discussion followed and it was agreed that this was an excellent goal to strive for.

There was no further business. DeMond adjourned the meeting.
