1. The deadline for the Undergraduate Paper Competition has been set for June 1, 2009.

Report from the Secretary-Treasurer

The Secretary-Treasurer, Ms. Jamie P. Baird, circulated a financial report for fiscal year 2008, budget analysis for 2008, Balance Sheet as at December 2008, Income and expenditure for fiscal year 2008, and Budget for fiscal year 2009. The Association remains in reasonably good financial health. Total assets at the end of 2008 were $106,521.50. The assets were held in 7 different accounts. The major portion of assets was in the Operating Fund CD Account ($46,126.00) and in the Stanford Lyman CD Account (43,027.29). The Income and Expenditure Statement for 2008 showed Income at $28,596.55 and Expenditure at $27,820.06. Realized ordinary net income for 2008 was $776.49.
The Secretary-Treasurer informed Council, on the basis of the projected budget for 2009 that expenditure would exceed income by approximately $1,900.00. This was because the budget was produced conservatively due to the economy and budget cuts at our member institutions. The deficit could grow if participation and registration in Lafayette doesn’t meet levels from the past. There was discussion after looking at the budget that the expenditures wouldn’t exceed income because of the proposed amounts for the Program.

After looking at the financial reports it was decided that at each Mid-winter meeting that a decision would be made on whether we would award 1 or 2 recipients for the S. Lyman scholarship.

The report was accepted.

Report from the Editor, Sociological Spectrum

Report from the Editor, Forum

1. An issue of MSSA Forum that included a call for session organizers, calls for paper competitions, scholarship competitions and such was put out in January.
   a. Membership Chair Tina Deshotels is having her committee use the issue as a means of contacting departments in our region in the hopes of increasing membership and/or awareness of the organization and what it does.
2. Another issue of Forum will be released once the call for papers is issued
   a. It will be formatted to allow a reader to quickly scan the sessions, session organizers and their emails.
   b. It will then direct readers to the website for additional session organizer contact information.

Report from the Committee on Minorities

The Chair, Committee on Minorities, Dr. Dana Greene wasn’t present, but the report was sent.

1. The Minority Caucus had a very productive discussion at the Annual Meetings in October, 2008. During our discussions, we reviewed the contributions to the Minority Fund over the past three years. While pledges are up, fewer people are actually “making good” on their commitments. As a result, during 2007-2008, the monies in our Minority Fund increased, but did not match or exceed the monies raised during the 2006-2007 AY.

To this end, the group discussed ways in which monies could be raised to support the scholarship fund, while still recognizing the problems facing many (including our members) as a result of our bad economy and recession.
2. The Caucus would like to fund increasing numbers of students from HBCUs at future meetings. Drafts of the Application for funds are under revision and will be made available to faculty application in advance of the October, 2009 Annual Meetings.

3. The Minority Caucus also decided to support the nomination by the Women’s Caucus of Dr. Dana M. Greene for MSSA President-elect. Dr. Greene accepted the nomination.

4. Dr. Shondrah Tarrezz-Nash was nominated to be Chair of the Minority Caucus. She declined the nomination.

5. The Caucus would like to see more sessions at upcoming meetings on racial and ethnic issues in the MSSA region. Several members offered to organize such sessions.

The Chair, DeMond Miller was not present. No report was submitted.

**Report from the Chair, Committee on Membership**

The Chair, Committee on membership, Dr. Tina Deshotels, was not present but a report was sent.

The Membership Committee has been working diligently to increase membership and participation in the MSSA this year. We worked on contacting those who did not renew their membership from the previous year hoping to get them to renew. We hoped to bring as many of these non-renewals back into the fold as possible.

The committee is working on compiling an accurate listing of all sociology departments in our members’ states. We obtained a partial list from ASA and are adding to this. From this list we sent emails, and mailings of forum as well as flyers.

I would like to raise the issue of departmental memberships as a way to increase membership. For some universities, departments are reimbursed for memberships but not individuals. Departments have contacted me and been willing to pay for each of their individual faculty members’ membership but only as a lump sum.

The report was accepted.
