Thursday night after the banquet there will be a band and there is downtown live for those that want to do something on Friday night. Also, there will be students helping with registration.

**Report from the President-Elect/Program Chair**

The President-Elect/Program Chair, Ollie G. Christian, thanked everyone for their generous support for the 2009 program. For the 2009 program, there are 69 sessions and approximately 263 participants. The session topics and papers appear to be very interesting and informative. I would like to thank all of the session organizers as well as the program participants for their support and participation in the MSSA 2009 program. Many of the panels, workshops, and roundtables are quite interesting and I sincerely wish that members will attend these sessions as well. There was a lot of financial support from Southern University in ads and fundraising, $3,755. The plenary speaker is Dr. Faye Gary, who will speak on Health Inequalities. The session on the Birth of MSSA, there are a few members that can give a good account of our history.

We need to look at what to do about individuals that are on the program, but don’t come to the meeting. Also, partner with organizations when it comes to equipment or see if there are members that are willing to let the organization borrow their equipment for the meeting.

The report was accepted.

**Secretary-Treasurer’s Report**

This year the Association is again facing possible financial hardships because of the global financial crisis. The Association will be penalized for failure to meet room nights requirements. The number of room nights to not be penalized is 312 and room nights guaranteed to date is 219. This makes the Association fall into the attrition clause in the contract between 30 and 60%, which is equivalent to $10,550. The Association will try and negotiate with the Hilton Lafayette and to obtain partial waivers of our contractual obligations or at least meet us half way on this lost revenue amount. Projected expenditure is estimated at $15,800.00 (including gratuity and tax). This estimate is based on the spending on food and beverages and expenditure for program printing, Plenary speaker incidentals, and awards. Revenue received to date for food and beverage at November 2, is $8,455.00. This means that the Association will have a deficit of approximately $7,345.00 in financing this year’s meeting activities. The deficit mentioned in the previous sentence is not including room night attrition.

The shortfall in revenue is the result of very weak annual meeting registration (66) and insufficient funds from dues being paid, whether they are presenting or not. The Association will, however, be able to meet the shortfall in revenue from reserve funds accumulated over the past nine years. We do not want to get into this habit and this will reduce our reserves tremendously.

Totals assets as at November 2, 2009 is $107,265.87 The assets are in several accounts:

- Capitol City Bank -CD-OFA $47,495.36
- Capitol City Bank - Lyman MSFA 2,699.88
- Capitol CityBank-RFA-CD 5,761.05
- Capitol City Bank-OFa 5,474.16
- Capitol City Bank-RFA 1,119.83
- Spectrum Petty Cash-UCF 1,633.76
Stan Lyman - CD Acct $43,081.83

**TOTAL** $107,265.87
The above figures are heartening but the Association cannot expect to avoid its contractual obligations in the future. Steps must be taken to ensure that all contractual obligations are financed from current revenue.

To achieve this objective there must be a significant drive to retain current members and recruit new ones. Current 2009 membership is 184. This number includes a new group of students that joined this year and does not include those whom have sent emails that their dues and registration will be paid onsite.

The report was accepted.

Report from the Editor, *Sociological Spectrum*

The report was deferred to November 5, 2009

Report from the Editor, *Forum*

1. Spring *Forum* was released via email and put on the MSSA website
   a. Primarily a notification of deadlines, announcement of officers and a call for papers with the list of session organizers and contacts
2. Call sent out for contributions to a second *Forum* that would have been released in July.
   a. No submissions were sent in.
   b. Since the issue would contain no new information, it was scuttled.
3. This has been my third year as editor of *Forum*.
   a. Last year I was told that my first year had been to finish out the term left as the previous editor had needed to step down early.
   b. This year, then, constitutes my second year as the appointed Editor of *Forum*.
      i. So, a general call needs to be issued to replace me as editor beginning Fall 2010.
      ii. However, I would be more than happy to turn it over early to someone who can devote more time and effort than I have been able to give.

There was an unsolicited request to take over *Forum* by Dana Greene. The Forum should be used to call for organizers for the Annual meeting, calls for paper competitions and calls for the book competition.

There was discussion about doing away with Forum all together.
There was discussion about an elected position that would create a Website/List serve and Forum wouldn’t be needed.

The report was accepted.

**ADJOURNMENT**

The meeting was adjourned at 4:00 pm.
CALL TO ORDER

The adjourned meeting of November 4, 2009 was called to order by President Kim A. Davies at 9:45 am.

EXECUTIVE COUNCIL REPORTS

Report from the Editor, Sociological Spectrum

Editorial Update:
Sociological Spectrum has been included in the ASA’s Publishing Options: An Author’s Guide to Journals.

In addition, Routledge Publishing, of the Taylor & Francis Group, is creating a Sociology Archive. The archive will be offered to institutional libraries and would include backfiles of key journals spanning Sociology and related disciplines. All the included articles will have full cross-searching capability, article abstracts, and hyper-linked references. Their goal is to increase accessibility to research that would otherwise only be available in print. They have requested that Sociological Spectrum be included in this project. We have consented to their request.

Managing Editor Update:
Lauren Rowland is the new Managing Editor for Sociological Spectrum. She now serves as the contact person for manuscript submissions. Lauren is working on her M.A. in Sociology at UCF.

**Spectrum Article of the Year:**
Erin Robinson has been selected as the winner of the 2009 Sociological Spectrum Article of the Year award for her article “Competing Frames of Environmental Contamination: Influences on Grassroots Community Mobilization” (Sociological Spectrum Volume 29, Number 1:3-27).

**Submissions to Spectrum:**
Between October 2008 and October 2009, Spectrum received 79 manuscripts, which represents a nine percent increase over last year. Of this total, 10 have been accepted for publication, 15 have been returned as Revise & Resubmit, 27 were rejected, and 27 currently are under review. Thus, the journal’s current rate of acceptance is 19 percent, which is down from the 33 percent reported at this time last year.

**Thank you to members of the editorial board:**
Along with a special note of appreciation to our editorial board members, I want to thank those members of the MSSA who provided timely reviews during the past year. Your willingness to support Sociological Spectrum through detailed reviews has really helped out and we thank you. I also want to thank our out-going managing editor, Sara Neuenschwander for her support and hard work, which has kept everything running smoothly. She not only managed the journal for the past three years, but she also managed to complete her M.A. thesis and obtain university funding for her Ph.D. degree.

The report was accepted.

**Report from the Coordinator, Stan Lyman Memorial Scholarship Committee**

The scholarship award was announced through MSSA, Sociological Spectrum, the Forum, and SSSI. Further graduate program directors for all PhD granting institutions in our member states were sent two different emails asking them to advertise the scholarship to their students. The final result was that the committee received three strong submissions for the scholarship and chose the following for the award:

**Negotiating Gendered Conflict:**
**Identity Dilemmas and Emotion Work in Women’s Flat Track Roller Derby**
Kylie L. Parrotta, North Carolina State University
(Michael Schwalbe, Advisor)

The second and third submissions were from Amanda Koontz, Florida State University – “Constructing the Florida Highwaymen” – and Stephanie Medley-Rath, Georgia State University – “Memorializing the Self, Doing Family, and Building Community: Scrapbooking (In) Everyday Life.” Once again the decision was not an easy one as each of these projects was well conceived and within the Lyman tradition. Despite the strength of the three papers, we continue to hope that we will receive more applications in the future.

The $1000 scholarship awards will be made at the annual banquet, Thursday, November 5, 2009.

**Other business:**
1. The following still needs to be ratified at the membership meeting this November.
   a. The Coordinator, Stanford Lyman Scholarship Committee, Dr. Jackie L. Eller, proposed the following amendment to the Constitution: Article IV, Section 2 (Changes noted in italics)
   b. The appointment of officers of the Association shall be the Secretary-Treasurer, the Editor or Co-Editors of the official journal of the Association, the Editor of the official newsletter of the Association, and the Coordinator of the Stanford Lyman Memorial Scholarship. The Secretary-Treasurer and editors shall be appointed for three year terms. The Coordinator of the Scholarship shall be appointed for four years.
   c. This amendment adds the Coordinator, sets term of appointment.
The amendment was approved. The amendment would have to be ratified by the membership at the Annual meetings in October 2008 (November 2009).

2. As I included Danielle Hidalgo as an additional reader of the submissions, I request that this practice continue on an ad hoc basis providing a past winner is available and willing to “give back” to the organization in this manner.

There weren’t as many papers submitted, maybe we should advertise in the Program and put an ad in Spectrum as standard advertising. Get more papers from active PhD programs and getting participants to become members.

The report was accepted.

**Report from the Past President/ Chair, Budget Committee.**

The Chair of the Budget Committee, Keith F. Durkin was not present, President Kimberly A. Davies and President-Elect Ollie G. Christian was in attendance for the budget committee meeting and reported that the financial records of the Association were examined and found to be in order.

The report was accepted.

**STANDING COMMITTEE REPORTS**

**Report from the Chair, Committee on the Profession**

The Chair, Committee on the Profession, Ana Marie Gonzales Wahl was not present and a report was not sent. There hasn’t been any communication with the chair. The executive committee looked at the Constitution, Article VI, Section 3 and there are grounds to put out a nomination to the general membership. At the banquet it will be announced that the floor is open for nominations for this position. A person will be selected at the meeting Saturday, November 7, 2009

The report was accepted.

**Report from the Chair, Committee on Women**

In the 2009 Program there are a total of 62 sessions excluding the Executive Council meetings, graduate paper competition session and the plenary session. Of these 61 sessions, 41 are regular paper sessions, 7 are panel sessions, 5 are workshops, 3 are roundtables, 3 are strictly undergraduate paper sessions, and one is a poster session.

In sum, women are highly represented in all types of sessions on the 2009 Mid-south Sociological Association Meeting Program. Men are slightly more likely than women to have organized a regular paper sessions. However, women are more highly represented, than men, in panel and workshop sessions and women are more likely than men to be presenting a co- or multi-authored work.

The 2008-2009 Executive Council is comprised of 15 members, 9 (60%) of whom are female and 4 ex-officio members all of whom are male. Women are currently serving in top positions on the Executive council. The representation of women on the Council has increased slightly from 2007-2008 when there were 16 members and 8 were females and significantly from 2006-2007 when there were 16 members and only 6 were women. However, this progression has not been linear. In fact the number of women serving on the Council was approximately equal to that of men in 2005-2006 and 2004-2005, while they were underrepresented in 2003-2004, at only 5 out of 14 members.

The report was accepted.
Report from the Chair, Committee on Minorities

The Chair, Committee on Minorities, Dana M. Greene, was not present and a report was not sent.

Report for the Chair, Committee on Nominations

The Chair, Committee on Nominations, Jackie Eller, The following were elected:

- President-Elect: Roma S. Hanks
- Vice-President-Elect: David G. LoConto
- Chair, Committee on Nominations: Carl L. Bankton, III
- Chair, Committee on Minorities: Obie Clayton, Jr.
- Chair, Committee on Membership: Tina H. Deshotels

Issues concerning the election process:

1. There was a tie in the member vote for President-Elect. In deciding how this should be resolved I consulted the Policy and Procedures statement on line, communicated with Jamie and did the following:

   The Chair shall select an Election Committee comprised of self and two others. All shall sign a tally sheet. This sheet and both the Nomination Committee's ballots and the final ballots shall be submitted to the Executive Council at its first meeting at the Annual Meeting. **In case of a tie vote, the President of MSSA shall decide.** The Chair of the Nominations Committee shall inform the President, the President-Elect, and the Secretary-Treasurer of the election results in writing as soon as the ballots have been counted. The Chair of the Nominations Committee shall inform all candidates of the election results prior to the Annual Meeting.

2. The President was contacted, she voted, I informed the appropriate persons.

3. Due to a member question concerning this procedure, we discovered that the Constitution said the following:

   The Chair of the Nominations Committee shall select an Election Committee comprised of self and two others. All shall count the votes and sign a tally sheet. This sheet and both the Nomination Committee's ballots and the final ballots shall be submitted to the Council at the first Council meeting prior to the general business session. **In the case of a tie vote, the Council shall break the tie with the President abstaining. In the event the tie remains, the President shall determine the outcome.**

4. Given the inconsistency I notified all persons involved, asked the Executive Committee to cast a vote for President. Nine votes were received and Roma Hanks was again declared the winner with 6 votes.

5. Recommendation: Change the Policy and Procedures to be consistent with the Constitution. Then discuss whether this is the most appropriate way to decide tie votes.

The report was accepted.

Report from the Chair, Committee on Membership
The Chair of the Membership Committee, Tina Deshotels, presented that the goal is to encourage non-renewals to come back to the fold, current members to stay, and increase members from new populations. The strategies were presented to complete these tasks. Also we should advertise in Forum.

Then there was discussion about a discount for departmental membership for West Georgia and if there are any other institutions we will look at them on an individual basis.

The report was accepted.

ADJOURNMENT

The meeting was adjourned at 11:10 am.
The meeting was called to order by the President, Dr. Ollie G. Christian, at 9:50 am on Saturday, November 7, 2009. The President welcomed all members to the meeting.

CARRY OVER BUSINESS FROM MEETING OF November 5, 2009.

Jackie Eller has information from the nomination committee. The Constitution and the Operations and Procedures manual are not consistent. The OPM needs to agree with the wording of the Constitution. The voter turn out was low (approx. 25% of the membership when looking at the numbers). Some of this is due to student members that move on and don’t give a forwarding address.

The report was accepted.

There was discussion about nominations being done online (through Survey Monkey) instead of mailing ballots as a trial for 2010. There was a motion made by Jackie Eller to have mail ballots for 2010 and inform members that the election process will be going online for 2011. There was a 2nd to this motion by Carl Bankston, III. The motion was approved.
Report from the Chair, Committee on Small & Community Colleges

The Committee held its annual meeting at 7:00 AM in Lafayette on November 6, 2009. The Committee extended its thanks to Dr. Anita Bledsoe for organizing and presiding over the Small and Community Colleges Session on Service Learning at the 2009 Mid-South Sociological Association meeting.

Issues discussed:

Teaching Excellence Award: The Committee passed a measure that would create an Excellence in Teaching at the Small and Community College Award. The criteria for such award will be presented for review and approval at the mid-winter meeting.
Specialty Sessions/Workshops: The committee approved a motion to have two sessions/workshops on themes related to small and community colleges for the Baton Rouge meetings.

Membership Recruitment: We will continue our efforts to contact all small and community colleges in our member states via email; however, special efforts to recruit will take place in the following member states: Louisiana, Mississippi, Arkansas and Texas.

The report was accepted.

NEW BUSINESS

Winter Meeting:
It is valuable to have members attend Practical reasoning for attending
Check the room nights for winter meeting to see if it will affect contract, email this information to EC members
Members of the Executive Committee should make sure their reports are sent

Aggressive Membership:
Partner with other organizations: Southern CJ Society, Applied Sociology, Arkansas Sociological Society, and Family Studies at Arkansas State

Registration: A set price of $115.00 or $120.00 for Presenters, Organizers, Discussants. This is for attendees on the program with exception of non attending co-authors. Registration form needs to be re done and sent around to the EC to get approval.

There needs to be a Toolkit for session organizers on their responsibilities and things that are available to them at the meeting. Roma will start this toolkit and send it around to EC members and they can add information as they see fit.

Visitor: Dr. Tom Durant, Jr.
He is willing to assist in any way for the Local Arrangements for the meeting in Baton Rouge, LA. Also, he had conversation with Thomas Kersen and he is willing to be the Historian for MSSA. There is not a position for Historian, it would have to be newly appointed and responsibilities added to OPM and Constitution.
The change to the constitution and OPM to have the coordinator for the Stan M. Lyman scholarship appointment to four years was ratified at the meeting during the banquet on November 5, 2009.

At the Winter Mtg. it will be discussed the time for EC meetings at the Annual mtgs. So members won’t miss sessions. The suggestion was for the meeting on Wed. be from 2pm – 5pm and then a meeting on Sat. morning at 9:45am.
