Report from the Secretary-Treasurer

The Secretary-Treasurer, Ms. Jamie P. Baird, circulated a financial report for fiscal year 2009, budget analysis for 2009, Balance Sheet as of December 2009, Income and expenditure for fiscal year 2009, and Budget for fiscal year 2010. The Association has faced financial hardships due to the economy. Total assets at the end of 2009 were $93,606.66. The assets were held in 7 different accounts. The major portion of assets was in the Operating Fund CD Account ($37,970.94) and in the Stanford Lyman CD Account (44,392.19). The Income and Expenditure Statement for 2009 showed Income at $31,041.60 and Expenditure at $31,233.05. Realized ordinary net income for 2009 was $(191.45).

The Secretary-Treasurer informed Council, on the basis of the projected budget for 2010 that expenditure would exceed income by approximately $5,100.00. This was because the budget was produced conservatively due to the economy and budget cuts at our member institutions. The deficit could grow if participation and registration in Baton Rouge doesn’t meet levels from the past, even with contract adjustments made with the hotel.

The report was accepted.

Report from the Editor, Sociological Spectrum

The Editor, Sociological Spectrum, Dr. John Lynxwiler submitted notes on Sociological Spectrum for production year 2009. Seventy-five manuscripts were processes with the following outcomes: 10 accepted for publication, 19 outstanding revise and resubmit, 31 rejections, and 15 under review. Excluding the special issue manuscript, the submission rate for the journal in 2009 was up quite a bit (75 vs. 51) while the acceptance rate (13% vs. 23%) was down. Hence, when 2008 is compared to 2009, Spectrum appears to be more popular as well as more selective, and both of these points are viewed as positive by Taylor & Francis. Lauren Rowland is managing editor.

The report was accepted.

Report from the Chair, Committee on Women

The Chair Committee on Women, Dr. Rhonda Evans, reported:

The 2009 Women’s Luncheon was widely attended, with approximately 25 people present. Considering the low overall attendance at this years’ conference, this was a fairly good turn out.

Below is a slate of nominees to be supported by the Women’s Caucus in the 2010 MSSA election. This list of nominees was given to the Chair of the Nominations Committee, Dr. Carl Bankston III. The slate of nominees proposed and supported by the Committee on Women and Women’s Caucus is as follows:

President Elect: Earl Wright
Vice President Elect: Ruth Chananine-Hill
Chair of the Committee on Women: JoAnne DeRouen
Chair of the Committee on Small and Community Colleges: Claudia Hall-Elston
Chair of the Committee on Professions: Lorraine Evans

Jackie Eller and Kim Davies discussed proposing a special edited volume for Sociological Spectrum on Gender/Women’s Issues and asked for suggestions from the group. Some of the topics that were proposed were women and health issues, women in public policy. There was a brief discussion regarding how specific or general the proposal should be. Report from the Chair, Committee on Membership

The Membership Committee has several plans for action to increase membership and participation in the MSSA this year. We are continuing our work to compile a list of potential members in our respective states. When we receive a call for session organizers we will then send this to our contacts.

We are also interested in doing an assessment survey to ascertain the level of participation, what facilitates participation and blocks to participation. This survey would begin with emails, and then progress to mailings and phone calls. These strategies will take place in conjunction with the emailing and mailing of calls for papers. We hope to also send a copy of Forum to each member and ask that each department post a copy of the flyer on their bulletin boards and encourage their faculty and students to attend.

I would like to recognize Dr. David LoConto who is working to help with the compilation of potential members as well as administer surveys.

We plan to continue to target current members in our efforts. We recognize our current members as the backbone of the organization. We are sending them flyers and asking that they help encourage participation and attendance.

Our strategy entailed using email lists, address lists, letters, phone calls and personal contacts to further the goal of maintaining and increasing membership.

The report was accepted.

Report from the Chair Committee on Nominations

The Chair, Committee on Nominations, Dr. Carl L. Bankston, III, reported:

The Nominations Committee has sought nominations by sending out general calls to the list serve and by contacting specific individuals to ask for nominations. Although we did get nominations for the major offices (president and vice president), nominations for committee chairs have been much slower and fewer in number. Moreover, nominations so far have resulted most often either in failures to respond by the nominees or in an unwillingness to stand for office. The problem has been exacerbated by the fact that some members have been repeatedly nominated for an office, and have declined to run.

We currently have at least one candidate who has agreed to run for each of the offices. I would prefer to submit the names of the current candidates informally to the Winter Meeting at this point because we are still attempting to complete a full ballot. I hope to have this task done by the end of the current month (February). That will still leave us plenty of time to hold an election.
There is one (1) candidate for President and one (1) in the works that was a Past-President. The list of nominations will be double checked to make sure there are none from the Nominations Committee. Jamie will check nominees to make sure they are current members.

The report was accepted.

- Email blast about the meeting
- Name badges - $.15 for pin, $.31 for clip and $1.00 for around the neck

Also, the committee for Local Arrangements has been formed.

The report was accepted.

**Report for the Hotel Contract Negotiator**

The Hotel Contract Negotiator, Dr. Obie Clayton, Jr., reported:

The written report was sent for your review. Also, there was a meeting with the Crowne Plaza to negotiate reducing obligations that the Assn. has for the October meeting. The results of negotiations are as follows:

- The room night obligation was reduced from 375 to 190 and the price of the room nights went from $101 to $115 a night + 13% tax and energy surcharge of $4.95 a night.
- The Food & Beverage obligation went from $12,500 to $6,000 for the meeting
- The meeting room space has been reduced from nine (9) to six (6)

The new contract will be sent to me and I will sign the new contract.

Patram and I will go over the Little Rock contract again to see if there is any way for us to reduce the obligations in that contract. Also, it is recommended that we do not negotiate any other hotel contracts past the years we are already obligated.

The report was accepted.
